

Assumption University

FROELICH SCHOOL
OF NURSING

Change of Major Info Session

Who can apply?

- Current AU students

What are the requirements?

For spring semester applicants:

- Successful completion of BIO 160 with a final grade of B- or higher

For fall semester applicants:

- Successful completion of BIO 160 with a final grade of B- or higher AND
- Enrollment in or completion of (with a minimum grade of B- or higher) BIO 105 and CHE 102 by end of spring semester

Assumption University

FROELICH SCHOOL
OF NURSING

Can I use my AP BIO credits from high school?

- Yes, if the credits have already been successfully accepted by AU, you do not need to take or be enrolled in BIO 160 (and lab) to apply

What if I haven't completed BIO 160, BIO 105, or CHE 102 and am not currently enrolled?

- You will need to work with your advisor during add/drop to enroll for these courses for the upcoming term/semester

- Nursing students also receive a minor in BIO.
- All nursing courses and their pre-requisites require a benchmark grade of B- or higher.
- Nursing students must have at least a B- or above (2.7 GPA) to graduate.
- Nursing students graduate with 127 credits as opposed to the standard 120 credits.

Assumption University

FROELICH SCHOOL
OF NURSING

How many change of major students will be accepted into the Froelich School of Nursing?

Assumption
University

FROELICH SCHOOL
OF NURSING

That is the \$1M question!

Available seats are determined by a number of factors and the exact number is not known until the end of each semester after final grades are posted. There is a possibility that NO seats will be available. The FSoN also reserves the right not to fill any open seats.
