

Student Health Services – Patient Wellness Portal

Log into the Assumption University Portal

(credentials are found on the Admission portal after depositing).

Once on the Assumption University Student Portal page, please select the link for the **Patient Wellness Portal**.

Alternatively, students can use their Assumption University username and password to log into the Patient Wellness Portal at <https://assumption.medicatconnect.com/>

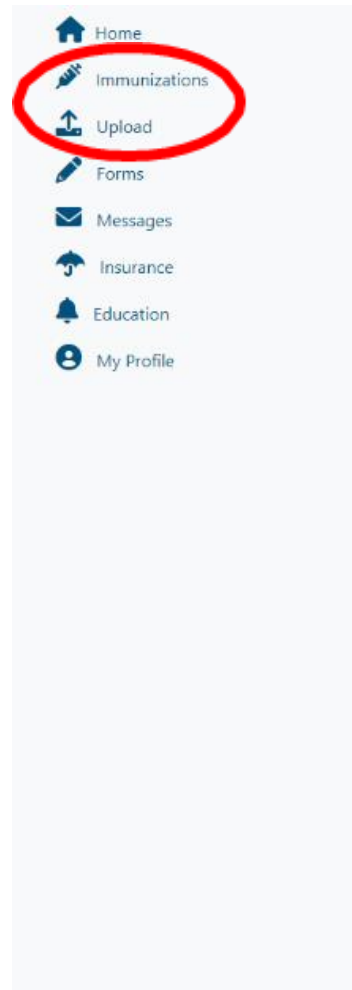

The screenshot shows the Assumption University Portal homepage. At the top, there is a navigation bar with the Assumption University logo and the word 'Portal'. Below this is a 'Menu' button and a breadcrumb trail: 'Assumption University Portal > Students > Home'. The main content area features several announcements: 'OVERCOME' musical theater production, 'English Department Honors Induction', and 'Career Day 2022'. On the right side, there are sections for 'WebAdvisor' (with links for students and employees), 'Campus Documents' (with links for IT Newsletter, President's Documents, and Student Documents), and 'Athletics' (with news about lacrosse and baseball). At the bottom left, a 'Quick Links' sidebar contains several options, with 'Patient Wellness Portal' highlighted by a red circle. Other quick links include 'Forms', 'Student Account Center', 'Student Tools', 'Money Matters', and 'Health and Counseling Services/Upload Information'. To the right of the sidebar is a 'Recent Announcements' section with entries for March 30 and March 21.

Student Health Services - Immunizations

Required: All full-time undergraduate and on-campus graduate students and ALL health sciences students (regardless of credit-load or age).

For students who grew up outside of Massachusetts: Select the "Immunization" tab and enter all individual immunization dates. This step is not required for those students who grew up in Massachusetts and had all their immunizations given by a health care provider within Massachusetts.

All students must then upload a copy of their immunization record to the "Upload" tab. Take a picture of the immunization record and save as PDF or JPEG.

Students: Please enter all the dates for your immunizations b

If you have any questions regarding immunizations please mess:
Brenda Torres - Graduate Students
David Dinh - Undergraduates (available June 1st - August 1st
or Maureen Barbale - Undergraduates (available Aug 1st - June
using the messaging function on this portal.

In accordance with Massachusetts state law, Assumption University requires the following students to submit documentation of immunity to Assumption Univ

- full-time undergraduate and graduate students
- international students (full or part-time)
- health science students (full or part-time)

Students from out of state must select each blue tab below to enter immunization dates. Documentation of these dates will also need to be uplo and had all immunizations administered in Massachusetts, please just submit a copy of your immunization record to the UPLOAD tab.

The information listed below is the immunization information that Student Wellness Services has on file for you.

You must also upload any documents from a medical provider that verify your immunization dates and/or test results in the "upload"

[You will not be considered compliant with the immunization requirements until you](#)

Student Health Services - Insurance

Select the "Insurance" tab and "Add New" (in the middle of the page) to input medical insurance information.

Take a picture of the front and back of the medical insurance card and save as PDF or JPEG. Then select the "Upload" tab to upload the pictures.

Note: There is an option to upload the insurance card on the insurance page. This is a nice feature, but it will need to be uploaded again to the "Upload" tab.

Please enter health insurance information

****Important. The insurance information you provide on this form DOES NOT waive the health insurance plan offered by Assumptio**

Assumption University's student health insurance plan is part of the fall 2023 billing process. Once the decision has been made regarding the fall 2023 semester and health insurance charge will be located within the Student Account Center in student portal on the right hand side.

Undergraduate Students: Please enter your insurance information below (click **Add New**). **Make sure to upload a copy of the front and back of your insurance** upload your health insurance card to this page and the "UPLOAD" tab. Please save your picture as a jpeg or PDF (.heic cannot be opened).

If Enrolling in the School Health Insurance: Click **Add New**, select **Assumption University School Health Insurance - University Health Plans**, and **add the sc ID** section.

Graduate Students: This section is only required for full-time graduate and PA students

Student Health Services - Uploads

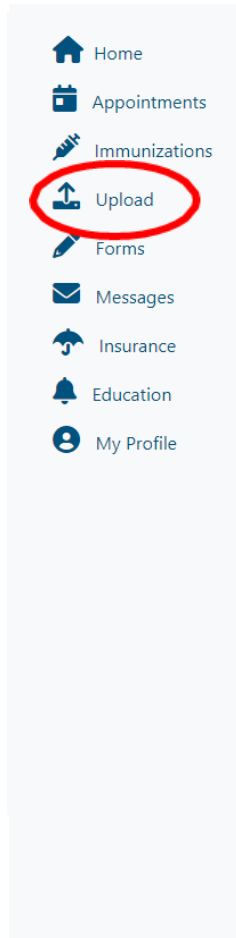

Select the "Upload" tab to upload your required documentation (must be saved as PDF or JPEG; iPhone users, the system does not accept .heic).

All students must upload a copy (back and front) of their medical insurance card.

All students must upload a copy of an immunization record from their medical provider or online patient portal.

Additional documentation can be uploaded here: immunization titers, proof of disease documentation, immunization waivers, tuberculosis test results, consent to treat a minor form, and any additional documentation that you would like to share with Student Health Services.

Be sure to "Select" the correct description from the available upload items and then scroll down the page to "Upload".

Instructions:

PLEASE MAKE SURE YOUR NAME AND DATE OF BIRTH ARE ON ALL SUPPORTING DOCUMENTATION!

- ALL STUDENTS MUST upload a copy of your **IMMUNIZATION RECORD** from your medical provider (graduate and undergraduate)
- ALL FULL TIME UNDERGRADUATE and GRADUATE STUDENTS MUST upload a copy (back and front) of your **HEALTH INSURANCE CARD**
- If you received a titer (bloodwork) instead of an immunization, please upload the lab reports here
- If you answered "YES" to any questions on the Tuberculosis Risk Questionnaire in the "Forms" section, please upload your TB test results (PPD/Mantoux, Quantiferon TB Gold, or T-Spot blood test) and TB Clearance Form (if completed) here.
- If you had a POSITIVE TB test result, please upload your chest x-ray report (not the actual x-ray) and TB Clearance Form (if completed) here.
- If you had a POSITIVE COVID test, please take a picture of your test on a piece of paper labeled with your name, date of test, and the date of symptom onset.

Check your file. It must be smaller than 30 MB. Scan in black and white, or at a setting of 150 DPI to achieve a smaller file. Alternatively, take a picture with your phone. Photos and Scans will need to be saved as a PDF file or jpeg. Click Upload.

Upload Documents

Chest X-Ray: Negative	Change	Sample-SOP 2024.pdf x

Student Health Services – Additional Information

- All health entrance requirements must be completed and uploaded to the Patient Wellness Portal. We cannot accept this information via fax or email.
- The athletic system, ARMS, is different than the Patient Wellness Portal. Since the information is not shared between the two systems, be sure to complete requirements for both offices within their appropriate portals.
- Student Health Services does not require a full physical exam for school entry but athletics does.
- Immunizations can often be done through a nurse visit at the doctor's office. In addition, many pharmacies and urgent care clinics offer immunizations. Call ahead to make sure they are administering vaccines and have the one needed in stock.
- ALL students taking 6 credits or more must *enroll* or *waive* the Student Medical Insurance Plan provided by Assumption University. This is required by the state of Massachusetts and handled through Student Accounts. Medical insurance information is needed by Student Accounts, Student Health Services, and ARMS (for athletes). Unfortunately, the information is not shared between offices and must be completed for all three offices within their appropriate portals.
- If you have any questions, concerns, or simply need more direction, please contact us first by utilizing the "Messages" tab in the Patient Wellness Portal.
 - Send a message to David Dinh during the summer months (June and July) and Maureen Barbale the remainder of the year (August-May).
 - Use the drop-down menu to select the Medical Clinic and who you would like your message to go to.
